The Association of Credit Counseling Professionals has been formed to enrich the credit counseling industry by focusing on best practices, integrity and compliance. To fulfill this mission, the Association WILL:

- Represent the industry with a member elected governing body.
- Adopt and implement credit counseling standards for its members that focus on best practices, quality service, education, and training.
- Enhance Relationships between credit counseling agencies, state and federal industry regulators and the creditors who support our mission.
- Provide a forum to discuss issues of common interest to better serve consumers seeking financial guidance.
- Enhance the knowledge and skills of credit counseling professionals by providing information about business, legal and technical matters.
- Advocate for reasonable and practical protection for consumers with regulators and lawmakers.
