PROMOTING HONESTY, INTEGRITY, AND ETHICS
IN THE DEBT SETTLEMENT INDUSTRY

NADRC'S MISSION

The National Association of Debt Relief Companies (NADRC) was created so that you, the consumer, can make an educated decision when choosing a debt settlement company. NADRC certified debt settlement companies prominently display our members logo, which links directly to our [Consumer Bill of Rights](#) page. Visit our [NADRC Members](#) page to verify that the company you are working with is truly committed to helping you become debt free.

PURPOSE OF OUR PROGRAM

The purpose of the NADRC is to promote honest and ethical practices in the debt settlement industry. The [Consumer Bill of Rights](#) was created as an informational tool to help educate the consumer and as a guideline of information that debt settlement companies should thoroughly explain and abide by. Our members should strive to be as forthcoming as possible with the consumer by clearly outlining the benefits and drawbacks of enrolling in a debt settlement program. NADRC members indicate their membership by displaying our logo on their home page with a link to the NADRC [Consumer Bill of Rights](#). Our goal is to help educate you, the consumer, so that you can move forward with confidence in achieving your goal of becoming debt free.
