

About Us

Our Mission

Our Mission is to provide the American Consumer with excellence in Debt Management Services through many different ways. We strive to be the best through our credit counselors to provide education, customer satisfaction, and a budget program that allow you the consumer to be debt free in a timely manner; and to assist the unsecured financial industry with collecting on consumer debt owed to them due to delinquent or over-extended accounts that might otherwise be lost to bankruptcy.

Here are five simple questions to ask yourself to see if Debt Consolidation is right for you.

- Are your monthly payments higher than you're comfortable with?
- Are you on-time with your bills, but tired of watching your balances go nowhere because of high interest rates?
- Have you fallen behind on your payments due to an emergency or unexpected expense, and find it impossible to catch up?
- Does it seem like your financial situation is becoming unmanageable?
- Do you feel like there is no light at the end of the tunnel?

If you answered YES to one or more of these questions, then the Law Offices of Thomas H. Hanna Jr., P.C. has a debt management program that is perfect for you.
